

International Job Posting

Michindoh is a year-round Christian camp and conference center located in southern Michigan serving groups ranging in size from 10 to 700, with total occupancy at times reaching over 1,000. Michindoh serves guests of all ages, but the majority are high school age or younger. Michindoh primarily serves church and parachurch organizations, but also offers outdoor education school programs.

Michindoh has a team of Guest Services Associates (GSAs). Each GSA is trained to handle a wide-range of responsibilities throughout the organization, which includes experience in just about every area of camp and conference center operations. The positions are designed to be a discipleship program that bridges the gap between entry and management level experience. GSAs are full-time, year-round, and salaried; and room and board, educational benefits, paid training, and paid vacation are part of the employment package.

Michindoh has provided educational work/training opportunities for international staff for between 4 month and 18 month experiences. 4 month experiences are provided through a J-1 work/cultural exchange visa. These are relatively easy to acquire. 18 month experiences are provided through a Managerial training visa and have specific prior educational and work experience requirements in order to qualify for these visa's.

In 2022 we have had the pleasure of having over 20 international staff participate with us in our ministry. We provide assistance in acquiring the visas, on the job training, a wonderful Christian community within which to work and live, room and board, financial compensation that will cover all your expenses, and opportunities to see and explore American culture.

We have openings throughout the year, but have our greatest need in the summer months. We have a couple of immediate openings to minister with us in the fall of 2022 and spring 2023.

You must be a committed Christian and have a desire to work within a Christian community to serve others. You will also need to have a basic ability to understand and communicate in English. You can find out more about our ministry by reviewing our web page at www.Michindoh.com. You can also contact me with any questions. Jeff.Knoll@Michindoh.com
